

Government seeking information concerning certification compliance system for exports

This is in reference to Budget Announcement of 2018-19 concerning development of a National Logistics Portal (NLP) to take on board all stakeholders involved in the facilitation of trade by way of providing logistics services, granting of various Certificates, Licenses, NOCs, Permits, etc. Accordingly, the Logistics Division of Department of Commerce, Ministry of Commerce & Industry, has initiated the process of development of the NLP.

While some of these certificates/permits/licences/NOCs have been mandated by the EXIM policy, many others are being governed by the legal framework of the respective PGAs. For the purpose of mapping the entire certification regime and taking the concerned agencies on board the NLP and to facilitate ease of doing business by enabling single window on line compliance system, it is hereby requested to share the information pertaining to all certification/permit/license/NOC compliance requirements for the exports of the commodities being dealt by your organisation, as detailed below:

- i. List of commodities requiring such certification/permit/license/NOC (along with 8-digit HS code).
- ii. List of certification/permit/license/NOC required for each commodity.
- iii. Name of the Agency responsible for issuing such certification/permit/license/NOC.
- iv. Nature of such certification:
 - a. General certifications
 - b. Mandatory certifications
 - c. Product Specific certifications
 - d. Country Specific certifications
- v. Certification Procedure adopted by the concerned agency – Documents required, fees structure, time taken, digital or manual, etc.
- vi. Scanned sample copy of such certification/permit/license/NOC.

In view of the above, request you to kindly provide your suggestions in the enclosed format latest by 30th July 2018 to the undersigned at spsharma@phdcci.in and research@phdcci.in

Warm regards,

Dr. S P Sharma
Chief Economist
