

SPORTS FOR ALL

“Empowering Youth Through Sports”

5TH GLOBAL SPORTS CONVENTION -2017

August 12, 2017; PHD House, New Delhi

Celebrating International Youth Day
Convention & Sportspersons Felicitation

OVERVIEW

India is on the verge of a great sporting revolution with achievements in sports at the international level increasing each passing day, becoming a great source of national pride and prestige. The Power of Sports, be it recreational or professional is gaining importance. Today, professional sports and sporting events are generating tremendous interest and passion across the country, especially in Modern India, which constitutes the majority of youth.

The Youth represent the most dynamic and vibrant segment of the population in India. India is one of the youngest nations in the World, with about 65% of the population under 35 years of age. The youth in the age group of 15-29 years comprise 27.5% of the population. All these facts and figures bring out the immense potential of Indian youth in transforming India into Sports powerhouse.

The achievements of Indian Sportspersons at Rio Olympics with 2 medals in Olympic Games & 4 medals in Paralympic Games-2016 has further fuelled the desire for youngsters to take up Sports as a mainstream career. For India to empower its youth via sports & attain Glory at global level, the need of the hour is an overall transformation, from Governance to Grassroot level of sports.

NEED OF THE HOUR:

Empowerment of Youth Through Sports is more than a buzzword and the time for this transformation is now. The need of the hour is to provide a holistic vision to the Youth of India in achieving their full potential, and empowering them with the right skill sets matching global sporting standards. A “feel-good factor” about sports also needs to be inculcated from the nascent and grass root stages along with providing the necessary infrastructure, if we are to leave a Sporting Legacy for future India. India is a young country & has a long way to go – to be labelled a 'Global Sporting Powerhouse'.

OBJECTIVE

The Global Convention & Sportspersons Felicitation, celebrating the International Youth Day is dedicated to globally promoting the broad dissemination of the Sport for All philosophy in practicality. The endeavour is to work as a catalyst towards creating a conducive sporting ecosystem with international best practices and leave a sporting legacy that will help generations to come.

With an idea to initiate the sporting revolution by conquering existing challenges and optimizing upcoming opportunities in empowerment of youth via sports, PHD Chamber is organising its **5th Global Sports Convention 2017- SPORTS FOR ALL- “Empowering Youth Through Sports” on August 12, 2017.**
