## UTILITY REGULATORY AUTHORITY, MAURITIUS

AnnexIP

### VACANCY: POST OF DIRECTOR (CEO)

The Utility Regulatory Authority (URA) is an independent body set up to regulate the utility services, namely electricity, water and wastewater. Its objects are to ensure the sustainability and viability of the utility services; protect the interests of consumers; promote efficiency in both operations and investments in respect of utility services; and promote fair competition in the utility services industry.

The URA invites application for the post of Director with authority to exercise the powers of the Chief Executive to lead a team of professionals in the field of Licensing and Compliance Monitoring.

#### **Qualifications**

A degree in Engineering, Economics or Finance, together with a postgraduate degree in any one of those fields or in Business Management, Accountancy or Law. Professional work experience at senior management level in a regulatory body would be an advantage.

**Core Competencies** 

- A strategic thinker and planner with ability to provide management oversight across the organisation to ensure its effective and efficient functioning
- Proven track record in organisational leadership
- Significant insights of issues pertaining to utility regulation: budgets preparation, compliance, consumer protection, competition issues, developing strategies, licensing, reliability and safety standards, and tariff setting
- Sound knowledge of good governance practices
- Several years of professional and work experience at senior management level in an organisation dealing with one of the utilities to be regulated would be an advantage

#### **Primary Duties**

- Responsible for the day to day operations and management of the organisation
- Developing a strategy for operationalising the phased development of the URA
- Setting up systems, policies, processes and procedures, in relation to prime functions of the organisation
- Establishing partnerships with regional and international utility regulatory bodies and associations
- Ensuring compliance with the provisions of the URA Act and other relevant legislations
- Identifying and managing operational and corporate risks for the organisation which could have a material impact on the organisation

Modalities for application

Candidates applying for the post should submit: their detailed curriculum vitae; a letter of motivation; Certified true copies of all qualifications with proof of professional experiences, and two letters of reference with full contact details of the referees.

All applications should be addressed to the Chairperson of the URA and submitted in the URA letter box at the below mentioned address, in an envelope clearly labelled 'Application for the post of Director', or sent by email to vacancydirector@uramauritius.mu latest by 28th June 2024 at noon.

#### Note:

- · Only the best candidates will be called for interview
- Appointment will be on a one-year contract with a probationary period of 3 months
- The Authority reserves the right not to proceed with any appointment following this advertisement and not to assign any reason whatsoever for its decision
- · Incomplete application will not be entertained

SALARY: Will be commensurate with qualifications and experience.
