The event has a dual objective, of bringing together biking enthusiasts that are also working professionals & businessmen, providing a platform for these professionals to interact and build relations for future explorations. The Investor-Investee meet program gives an opportunity to businessmen and entrepreneurs oozing with innovative ideas to start up or expand their ventures. Fueling the passion with exciting landscapes filled with entertainment to an investment perspective, offering an ideal opportunity for venture capitalists, private equity firms, and other stakeholders to engage directly with the dynamic leaders and industrialists, fostering partnerships, discussing market trends, and exploring potential investment avenues in this high-growth sector.

The second objective is to spread awareness amongst young enthusiastic bikers in the country to ride responsibly.
