INTERNAL TRADE

NATIONAL CONFERENCE ON  
DEMYSTIFYING

ESG

& SUSTAINABILITY  
IN SUPPLY CHAIN

5th March 2025 | PHD House, New Delhi

**SCAN ME**

**FOR REGISTRATION**

**Sustainability is no longer a choice but a business imperative. With global supply chains at the forefront of economic activity, integrating ESG (Environmental, Social, and Governance) principles into supply chain operations has become critical to achieving long-term value and resilience. This conference aims to demystify the complexities of ESG and its role in building sustainable supply chains. By bridging the gap between policy and practice, the event seeks to empower businesses to align with global sustainability goals while enhancing their operational efficiency.**

## HIGHLIGHTS OF THE EVENT

**Keynote Addresses by thought leaders and policymakers on the future of ESG and sustainability.**

**Panel Discussions featuring diverse perspectives from industry experts, policymakers, and technology innovators.**

**Use Case Presentations showcasing success stories and practical insights from leading organizations.**

**Workshops on implementing ESG strategies and decarbonization techniques.**

**Networking Opportunities with peers, industry leaders, and solution providers.**

### KEY THEMES

**ESG vs. Profitability: Bridging the Gap for Sustainable Growth**

**Decarbonizing Global Supply Chains: Solutions and Strategies for Reducing Carbon Footprints**

**ESG Compliance: Turning Sustainability Mandates into Competitive Advantage**

**Resilience vs. Sustainability: Finding the Perfect Balance in Modern Supply Chains**

**Sailing Green: India's Vision for Renewable Energy in Coastal and Inland Waterways**

**Unveiling the India Cooling Action Plan for Greener Supply Chains**

## STAKEHOLDERS

-  **Corporations and Manufacturers** : Companies driving ESG initiatives in their supply chain operations.
-  **Logistics and Transportation Providers** : Organizations enabling low-carbon transportation solutions.
-  **Technology Providers** : Innovators offering digital tools, AI, IoT, and analytics for ESG and sustainability tracking.
-  **Government Bodies and Regulators** : Policymakers shaping ESG regulations and compliance standards.
-  **Suppliers and Vendors** : Partners in implementing sustainable sourcing and production practices.

## WHY ATTEND:

Gain actionable insights into integrating ESG into supply chain operations.

Learn from real-world examples and success stories.

Network with leaders shaping the future of sustainable supply chains.

Understand the regulatory landscape and prepare for compliance challenges.

## About PHDCCI

PHDCCI has been working as a catalyst for the promotion of Indian industry, trade and entrepreneurship for the past 119 years. It is a forward looking, proactive and dynamic PAN-India apex organization. As a partner in progress with industry and government, PHDCCI works at the grass roots level with strong national and international linkages for propelling progress, harmony and integrated development of the Indian economy.

PHDCCI, acting as the “Voice of Industry & Trade” reaching out to more than 1,50,000 large, medium and small industries, has forged ahead leveraging its legacy with the industry knowledge across multiple sectors to take Indian Economy to the next level.

At the global level, we have been working with the Embassies and High Commissions in India and overseas to bring in the International Best Practices and Business Opportunities.
